**Service Repair Solutions, Inc. Announces Acquisition of
International Automotive Technicians' Network, Inc.**

Las Vegas, NV, June 22, 2007 – Service Repair Solutions, Inc. (“SRS”) announced today the acquisition of the International Automotive Technicians’ Network, Inc. (“iATN”). iATN is the largest online network of automotive repair professionals in the world.

“We are very pleased to welcome iATN to our family,” said Les Silver, SRS President and CEO. “We are strongly committed to supporting this important resource for the automotive service and repair industry, and maintaining the important mission and operating policies of the community.”

Brent Black, President of iATN, added, “We are confident that joining SRS will provide the long-term stability, support and resources necessary for our unique community. I look forward to continuing to grow and improve our service to both our members and to the industry overall.”

iATN will continue to operate as an independent subsidiary, under the direction of Brent Black, with no planned changes to staff or policies. Terms of the transaction were not disclosed.

The iATN Mission of Excellence: To promote the continued growth, success and image of the professional automotive technician by providing a forum for the exchange of knowledge and the promotion of education, professionalism and integrity.
